*"Helping Bowmen reach their targets"*

July 29, 2019

Community Business  
Sherwood, OR 97140

Dear Community Member:

I am writing on behalf of the Sherwood High School Parent Advisory Council (PAC). The SHS PAC is unique in that we are the only group to support the school as a whole. Our goal is to enhance the learning environment, building communications with parents and the larger community and showing support for staff and students through fundraising and volunteering. We currently serve a student body of over 1600 students and approximately 130 teachers and staff.

To help us achieve our goals, we are reaching out to local businesses asking you to partner with us as Sponsors. Sponsorship donations will be used to fulfill funding requests from teachers and staff. Some things PAC has helped fund in the last couple years include an updated speaker system for the commons, tripods for photography, art palettes for art classes, a hand vacuum to keep the front office area clean and meals for staff appreciation events. This is a good start, but we want to do more.

Will you partner with us as a 2019-2020 SHS PAC Sponsor? We have 3 different sponsorship levels (see attachment) and also welcome donations in other forms. If you would like to sponsor a staff meal or gift, or if you have a service or product you feel we could put to good use, I would love to discuss that with you. All community sponsors will be thanked on a banner that will be displayed in the school along with website and social media exposure. We are asking that donations are submitted by Sept. 10, 2019.

From all of the PAC members, we appreciate your support of the Sherwood High School community. Thank you for helping our SHS Bowmen reach their targets!

Sincerely,

***Nicole Brutosky***  
SHS PAC - President
